Dear Sir:

In reply to your letter of December 19th, we happen to have just three medals left of the Hudson Fulton Celebration; A silver medal, 3" wide, \$5.00; a silver medal 2½", \$3.50. These originally cost more but they are just a trifle rubbed. We also have a large bronze medal 4" wide which was given by the Committee to various people and the names are inscribed on the edge. This bronze medal would be \$2.00.

These we can supply at the above prices unless previously sold.

Very truly yours,

Curator
